# Highlands EcoFest - Are you Good with Reptiles?

Friday, April 25

**Volunteers** - We are looking for more parent helpers for this year's fantastic EcoFest, a curriculum-based day that helps bring our school community together through educational fun!

Even if you can only join us for the morning (reptiles or not!), send an email to Molly ([mm.ocallaghan@me.com](mailto:mm.ocallaghan@me.com)).

**Garden Supplies** - We are also looking for donations to the school of **gardening tools**: small/medium shovels, rakes, digging forks, weeding tools, watering cans, etc.

Also, we would be happy to take any perennials off your hands - for example, if you are planning divide any of your perennials in the next few weeks and would like to donate them to Highlands.

Please contact Sarah ([smcarver@shaw.ca](mailto:smcarver@shaw.ca)) if you are able to donate any of the above garden supplies.

**Slacklines** - We are looking for an additional 4 or 5 slacklines as part of this year's EcoFest. Please contact Marnie ([marnie@premont.com](mailto:marnie@premont.com)) if you are able to loan one (or more) for the event.

Thank you!

## Spring Plant Sale - Time is running out!

**Orders Due: Tuesday, April 15 / Delivery Date: Friday, April 25**

Don't miss this opportunity to purchase beautiful plants while helping to support a great event at the same time. Funds raised go to offset the costs of the 2nd Annual EcoFest.

Plant pick-up is after school on EcoFest (Friday, April 25) ... just in time for Mother's Day! Order a hanging flower or strawberry basket for the special moms in your life and the gift will keep on giving all summer long.

Orders and payment are due **Tuesday, April 15**, and can be made using the [attached form](#) or online at <http://highlands.plants4nonprofit.com>. Payment should be made by cheque payable to HPAC and deposited in the HPAC box outside the school office.

## Track & Field Volunteers Needed

The Track and Field Season for students in grades 4 - 7 will begin soon and parent volunteers and coaches are needed.

Practices will be held before school, at lunch, and after school. Meets will be held after school.

Currently the following activities would benefit from some extra help: Sprints & Relays, Long

Distance, High Jump, and Long Jump.

Please contact Mr. Martin ([bmartin@sd44.ca](mailto:bmartin@sd44.ca)) no later than **Friday, April 11** if you are able to assist.
