HPAC News

Today is the last HPAC News for this school year. We want to take this opportunity to thank everyone who has volunteered this year. We are lucky to have such an engaged group of parents. All of your time and effort makes a big difference to the students and the Highlands school community. Thank you!!

We'd also like to say goodbye to those families not returning to Highlands in September and, in particular, wish the graduating Grade 7 students and their families good luck as they transition to high school.

Best wishes for a happy summer!
