

HPAC News

Nov 1, 2013

Well, another Halloween is over. We hope you survived last night's activities and, more importantly, this morning's post candy rush.

This week's HPAC News is short to allow you a few more minutes to get ready for tonight's Reboot Parent Social...

In This Issue:

- **'The Reboot' Parent Social**
- **Edgemont Village Open Houses**

'The Reboot' Parent Social/Fundraiser

Here's the quick summary of TONIGHT'S event:

When: Friday, November 1 7:30 pm

Where: North Shore Winter Club (NSWC)
1325 E Keith Rd, North Vancouver
(Non-NSWC members are asked to park underground)

What: A chance to dress your best, enjoy some light appetizers, catch up with fellow parents and shine on the dance floor!

Why: Money raised through the evening's festivities (Silent Auction, 50/50, Toonie Toss, Classroom art plates) will help us **bring the Highlands IT Plan to fruition!**
(PLEASE BRING YOUR CHEQUES/CASH)

How: If you haven't yet bought your ticket and are planning to go, please bring \$50 (Cash or Cheque only) to pay at the door.

Remember: Take a taxi home!

If you can't make the Social, please donate directly into the HPAC box. Cheques over \$50 will be issued a tax receipt. Every bit helps, and we need all parents to kick in something to help us reach our goal!

Edgemont Village Community Open Houses

Saturday, November 2 10:00 am - 1:00 pm (presentation at 11:00 am)

Tuesday, November 5 6:00 - 9:00 pm (presentation at 7:00 pm)

After the District of North Vancouver hosted public 'Ideas Forums' in February and 'Directions Forums' in June, a draft of the Design Guidelines and Plan for Edgemont Village is being prepared based on community input to date. This third phase of the public process to refresh the local plan for Edgemont Village will present draft design guidelines for the form and character of buildings and public realm improvements in the Village, in addition to policies regarding things like housing and transportation.

Come out to one of the Community Open Houses to review and discuss the Draft Plan/Guidelines with your neighbours, staff and consultants...
