## **HPAC Update: Parent Social/Fundraiser (November 1)**

Attention Highlands V.I.P.'s (Very Important Parents)

We have moved the date of the Parent Social Fundraiser to **Friday, November 1** due to some last minute changes and it might be for the best, as November 2 is a hockey night (Canucks vs Maple Leafs in Vancouver)!

A flyer explaining how to buy tickets will be coming home soon but for now, book your sitters and here are some details...

We will be kicking off "The Reboot" at the Winter Club (1325 E Keith Rd, North Vancouver) at 7:30 p.m. sharp. As mentioned in the last HPAC News, we are raising funds to replace outdated computer equipment with new systems, ipads...you name it, we need it. Please come and offer your support. You'll get to dress in your best, taste delicious appies, have a few drinks, and get a little dancing in. Not to mention the toonie toss, the 50/50, the silent auction and this year...some surprise items. We are still looking for more silent auction items...please contact Erin at [erinmacnair@gmail.com](mailto:erinmacnair@gmail.com) with your ideas or leads.

We ask that you are responsible and cab share, we can't stress enough how important this is. No drinking and driving, your kids wouldn't approve. Yeah, that's heavy, but we just want to have a good time, without worry.

If you can't make the social, you have the opportunity to donate directly. Cut a cheque to HPAC and drop it in the box, and watch our donation thermometer rise!

Sincerely,  
The Reboot Parent Social/Fundraiser Committee
